Description

This collapsible silicone water cup is designed for compact everyday carrying and outdoor use. The cup body is made of food-grade silicone, with a PP lid and ABS plastic hook. When expanded, it holds 500 ml / 16.9 fl oz, with a height of 15 cm / 5.9 in. When folded, the height is reduced to 4.5 cm / 1.8 in for easier storage.

The silicone cup body is rated for -40°C to 230°C / -40°F to 446°F, and the PP lid is rated up to 100°C / 212°F. It is dishwasher safe on the top rack only, but not microwave safe. Please note that the press-closure lid is not a sealed lid, so liquid may leak if the cup is inverted or placed horizontally.

Package includes 1 cup and 1 hook, packed in a color box. Available colors: gray, blue, and pink.

中文说明：这份资料里亚马逊美国站上**不能直接用**的说法主要有这些：

1. **“抗菌防霉”**
   不能直接写，除非你有正规测试报告或认证。它属于功效/抑菌类宣称，平台和合规风险都高。
2. **“环保无毒”**
   不能直接写。
   “环保”是泛化环保宣称；“无毒”也是强功效/安全性宣称，需要证据支撑。
3. **“防摔耐用”**
   不能直接写成确定性卖点。
   这是耐用性/抗摔性能宣称，没有测试数据就不建议用。
4. **“户外露营旅行必备，全网爆款”**
   不能直接用。
   “必备”“爆款”属于主观营销夸张，且“全网爆款”无法验证，容易引起平台审核问题。
5. **“密封盖”**
   不能用，资料里明确写了**不是密封盖**，倒置或横放会漏水。
