我在义乌拿了下面这款货，准备上亚马逊美国站（Amazon.com）。请根据产品资料写英文 listing：
1）标题（Title，不超过 200 个字符）；
2）5 条卖点（Bullet Points）；

1. Title

Collapsible Silicone Travel Water Bottle, 17 oz Foldable Drinking Cup with Carabiner Clip, Portable Reusable Cup for Outdoor Camping, Hiking, and Sports (Gray, Blue, Pink)

2. Bullet Points

Material & Capacity: Made of food-grade silicone cup body, PP lid, and ABS plastic carabiner clip. Holds up to 17 oz (500 ml) of liquid when fully expanded.

Space-Saving Foldable Design: Measures 5.9 inches in height when expanded and collapses down to 1.8 inches for easy packing. Features a top diameter of 2.7 inches and weighs 4.2 oz (120 g).

Temperature Tolerance: The silicone cup body withstands temperatures from -40°F to 446°F (-40°C to 230°C), while the PP lid withstands temperatures up to 212°F (100°C).

Care & Usage Instructions: Dishwasher safe (top rack only). Do not use in a microwave. Please note that the lid uses a snap-on closure and is not leak-proof; the bottle will leak if turned upside down or laid flat.

Portable Outdoor Gear: Includes 1 cup and 1 carabiner clip in a color box. Designed for outdoor activities like camping, traveling, hiking, and sports. Available in gray, blue, and pink.

3. Product Description

Bring convenience to your outdoor adventures with the Collapsible Silicone Travel Water Bottle. This portable and reusable cup is designed for active lifestyles, making it a great companion for camping, traveling, hiking, and sports.

The bottle features a food-grade silicone cup body, a PP lid, and an ABS plastic carabiner clip. When expanded, it holds 17 oz (500 ml) and measures 5.9 inches in height with a 2.7-inch top

diameter. When you are ready to pack up, it collapses down to just 1.8 inches in height and weighs only 4.2 oz (120 g), saving valuable space in your bag.

Temperature Ratings:

Cup Body (Silicone): -40°F to 446°F (-40°C to 230°C)

Lid (PP): Up to 212°F (100°C)

Care and Safety Notes:

Dishwasher safe (top rack only).

Do not place in the microwave.

Important Note: The lid is a snap-on design and is **not leak-proof**. The bottle will leak if inverted or laid horizontally.

Each package includes 1 cup and 1 carabiner clip packaged in a color box. Available colors include gray, blue, and pink.

4. Search Terms

collapsible silicone water bottle foldable travel cup portable reusable drinking cup outdoor camping hiking cup with carabiner clip

资料中不能在亚马逊美国站直接使用的说法及原因

1. “抗菌防霉”（**Antibacterial and anti-mold**）

   为什么不能直接用：在亚马逊美国站上，宣称产品具有“抗菌（Antibacterial）”或“防霉（Anti-mold）”等功效属于医疗或农药/杀虫剂类宣称（Pesticide claims）。如果没有美国环保局（EPA）的注册登记以及具备法律效力的第三方检测报告支持，直接在 Listing 中使用此类词汇会违规，轻则被亚马逊系统识别并下架 Listing，重则导致店铺受限。

2. “环保无毒”（**Eco-friendly and non-toxic**）

   为什么不能直接用：亚马逊美国站对“Eco-friendly（环保）”等环境营销宣称有严格的合规要求，若无法提供充分的科学证据或权威认证，容易被判定为虚假或误导性宣传。同时，“无毒（Non-toxic）”属于绝对化和未明确标准的绝对宣称，在没有相应的FDA或其他安全检测报告背书前，不宜直接在公开页面使用。

3. “全网爆款”（**Best-selling across the entire internet / Top hit online**）

   为什么不能直接用：这类词汇属于主观性、夸大性以及无法核实的宣传用语。亚马逊美国站禁止在 Listing 文本中使用带有夸大性质、促销性质或全网排名性质的绝对化词汇（如 best-selling、top hit 等），这违反了亚马逊关于商品详情页面的规范。
